

**Prof. Dr. Med. Volker
BUDACH, MD, PhD**
**Head of the Department
for Radiation Oncology,
Campus-Mitte and
Campus-Virchow, Charité
University Medicine Berlin,
Germany**

Education:

Elementary and High School
1963 - 1972

Medical School 1972 - 1980

Qualifications:

State Exam in Medicine 1980

MD 1980

Consultant for Diagnostic Radiology 1985

Consultant for Radiation Oncology 1988

Postdoctoral Thesis and Readership
in Radiation Oncology (PhD) 1990

Full Professor in Radiation Oncology 1993

Appointments:

2009 – present Chairman of the Tumour Centre Berlin

2008 - present Founding member of the Interdisciplinary Head and Neck
Group of the German Cancer Society (DKG)

**2007 - present President of the German Society for Radiation
Oncology (DEGRO)**

2006 - present Chairman of the Interdisciplinary Soft Tissue Sarcoma Group
of the German Cancer Society (DKG)

**2006 – present Professor and Chairman of the Dept. for Radiation
Oncology, Campus-Virchow, Charité University Medicine Berlin,
Berlin**

2005 – 2007 “President Elect” of the German Society for Radiation Oncology
(DEGRO)

2003 - 2006 Executive Board member of the EORTC

2003 - 2006 Chairman of the EORTC Clinical Research Division

2003 - 2004 Independent Expert for the 6th Framework of the EU-
Commission

2000 – 2006 Board member of the EORTC

2000 - 2003 Chairman of the EORTC-Radiooncology Group (ROG)

2000 – 2003 Chairman of the ROG Working Party on Head and Neck Cancer

1996 - 1998 Chairman of the Tumour Centre Berlin

1998 - 2004 Treasurer of the ESTRO

1997 - 1999 Board member of the DEGRO

1996 - 2004 Board member of the ESTRO

1995 – 2007 Head of the Dept. for Radiation Oncology, Robert-Rössle-Klinik, Campus-Buch, Charité University Medicine Berlin, Berlin

1994 – present Founder and Chairman of the Tumour Centre Berlin-Charité

1993 - present Professor and Chairman of the Dept. for Radiation Oncology, Campus-Mitte, Charité University Medicine Berlin, Berlin

1990 - 1993 Senior Physician and Reader at the Department of Radiation Oncology, West German Tumour Centre, University of Essen, Essen, Germany.

1985 - 1990 Senior Physician and Consultant at the Department of Radiation Oncology, West German Tumour Centre, University of Essen, Essen, Germany.

1980 - 1985 Training in Radiation Oncology and Diagnostic Radiology at the Departments of Diagnostic Radiology and Radiation Oncology, West German Tumour Centre, University of Essen, Essen, Germany.

1972 - 1980 MD-student at the Universities of Heidelberg and Kiel

Membership:

American Society for Radiation Oncology (ASTRO)

American Society for Clinical Oncology (ASCO)

European Society for Radiation Oncology (ESTRO)

German Society for Radiation Oncology (DEGRO)

German Cancer Society (DKG)

European Organisation for Research and Treatment in Cancer (EORTC)

European Society for Hyperthermic Oncology (ESHO)

German Interdisciplinary Soft Tissue Sarcoma Task Force (DKG)

German Interdisciplinary Head and Neck Carcinoma Task Force (DKG)

Principal Investigator of 2 German Multicenter Studies (ARO 95-06 and ARO 04-01) for chemoradiation of locally advanced head and neck cancer. Principal radiooncologic investigator of an EORTC Multicentre Study (22011-40014) on radiotherapy and adjuvant and concurrent Gemcitabine after pancreaticoduodenectomy for pancreatic head cancer. Principal investigator of 2 large German multicentre trials on neoadjuvant radiochemotherapy of rectal cancer and intraoperative radiotherapy for breast cancer.

Basic and clinical research in head and neck cancer, gastrointestinal cancer, soft tissue sarcomas and modern treatment technologies (IMRT). Recipient of several grants from the German Research Council (DFG) and the Federal Ministry of Research and Technology (BMFT) since 1988. Röntgen Prize for radiobiological studies on xenograft soft tissue sarcoma in 1988. >200 papers in peer-reviewed journals, >40 textbook contributions and review articles.

Reviewer for International Journal of Radiation Oncology, Biology and Physics, Radiotherapy & Oncology, Strahlentherapie & Onkologie, TumorDiagnostik & Therapie, Der Onkologe, Member of the Editorial Board for Radiation Oncology of the „Deutsches Ärzteblatt“
